PROFESSIONAL SUMMARY

Transformational Logistics Architect & IT Automation Specialist leveraging 15+ years of experience to deconstruct and re-engineer complex systems for maximum efficiency, with a rare blend of technical, logistical, and psychological insights.

EXPERIENCE

IT Specialist & Automation Architect Jan 2020 – Present M5 Digital, Inc. | Turlock, CA

- Architected and deployed internal automation tools using Python and Selenium, reducing manual administrative time by 40%.
- Implemented secure API authentication protocols (JWT/Okta) to protect sensitive data.
- Developed 'Apache Genie,' a Python-based CLI tool for automated server deployment and diagnostics.

Independent Logistics Contractor Jan 2019 – Dec 2024 Dispatch It / Instacart / AxleHire | Sacramento, CA

- Executed high-volume, last-mile delivery operations with a 4.9+ performance rating.
- Leveraged local geographic knowledge to optimize routes and solve logistical challenges.

Transportation Coordinator / Logistics Architect Mar 2015 – Oct 2022 Van Groningen & Sons, Inc. | Manteca, CA

- Orchestrated logistics for a high-volume agricultural shipper, managing a fleet of 20+ drivers and 60+ daily outbound shipments.
- Designed and implemented a custom scheduling system, reducing downtime by 30% and improving fleet utilization.
